

Charles M. Whitten School of Driving, LLC

Class Information Sheet (2009-2010)

As many of you know, registration for driver education is less than desirable. In an attempt to make this process better, we now offer pre-registration. We are offering one class per marking quarter, as scheduled by Charles M. Whitten School of Driving and Coe-Brown Northwood Academy.

- Students must reach their 16th birthday on or before the last day of the class they wish to enroll in. (please be sure to check ending dates of the class you enroll in)
- Students should be able to dedicate 2 hours of driving time (lab) and 2 hours of observation time (lab) each week until they reach 10 hours of both.
- Students must be eligible to take driver education by state law. If they are under any restrictions set by the state delaying eligibility for licensing in New Hampshire, they are ineligible for this class. Any student who registers for this class and who is in violation of this rule, will forfeit any and all fees paid and will be removed from class.
- Pre-registration forms may be down loaded from the Coe-Brown web page. Search under Driver Education and submit forms to Mr. Whitten or the main office. Students will always be enrolled on a first come first serve basis.
- Students must return the current (2009-2010) documentation in order to be pre-registered.
 1. Signed pre-registration form.
 2. Signed Student Contract.
 3. A \$100.00 non-refundable deposit. (No credit card options offered)
